Portland, OR 97210

SUBJECT: HAZARDOUS WASTE MANIFEST NO. 23462
GENERAL ELECTRIC TRACKING NO. 23462

Dear Mr. Nudelman:

This letter certifies receipt of your material at the Portland PCB Decommissioning Facility. Attached please find the original copy of the Hazardous Waste Manifest, signed by our representative. These documents should become a part of your permanent files.

You will receive copies of the outbound manifest(s), and the Certificate(s) of Disposal, when this material has been processed and shipped out for final disposition.

Together these documents establish a complete tracking and disposal record for your material.

Should you have any questions please feel free to call (503) 221-5098.

Sincerely,

Jill Reynolds

16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national governmental regulations.

If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimized the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.
